

CAC PARENT MEETING

Tuesday, 11.09.21

5:30 – 7:00 P.M.

LIVE & IN PERSON

THE PEARSON CAFETERIA

500 LOCUST STREET

We're **BACK**, live and **IN PERSON**, and we need **YOU!** Getting involved with your child's education is one of the most important choices a parent will make, and your attendance at our CAC (Community Advisory Committee) meetings will offer much needed public input, aid us in identifying particular areas for parent trainings, and potentially help shape District policies. Members are parents of MCS students that receive Special Education Services, the SELPA Directors, and may include other school personnel and local agency staff.
