Dear Burbank Community,

The end of the year is here! It does not seem possible that another school year has come and gone. I do hope that your child has not only enjoyed the year, but has grown in many areas.

Many of the goals established at the beginning of the year have been accomplished. There have been numerous successes to celebrate.

During the next school year, we will continue to link the school with the community as we strive to continually improve student achievement. As the year comes to an end, I would like to thank each of you who have shown so much support for Burbank Elementary School.

Best regards,

James Mendonca,
Principal
